Gone

When I'm

When I come to the end of my journey And I travel my last  
weary mile, Just forget if you can, that I ever frowned And  
remember only the smile, Forget the unkind words I have  
spoken; Remember some good I have done, Forget that I ever had  
heartache And remember I've had loads of fun. Forget that I

have stumbled and blundered And sometimes fell by the way;  
Remember I have fought Some hard battles and won, Ere the  
close of the day. Then forget to grieve for my going, I would  
not have you sad for a day, But in summer just gather some  
flowers And remember the place where I lay. And come in the  
evening When the sun paints the sky in the west, Stand for a  
few moments besides me And remember only my best.
