To My Children

I still hear the songs I still see the lights I still feel
your love On cold wintery nights. I still share your hopes And
all of your cares I'll even remind you To please say your
prayers, I just want to tell you, You still make me proud You
stand head and shoulders Above the crowd. Keep trying each
moment To stay in his grace I came here before you To help set
your place. You don't have to be Perfect all the time He
forgives you the slip If you continue the climb.

All of my love, Mom To my family and friends please be
thankful today, I'm still close beside you in a new special
way.
